

JESUS BLESSES CROWD Victor Wojcik snaps a photo of the life-size statue of Our Lady of the Roses (c.) at the Holy Grounds on October 2, 1980. Jesus appears, miraculously, in the photo with His arms outstretched (rt. c.). There was no life-size statue of Jesus on the Vatican Pavilion Site that evening.

WHERE JESUS LIVES & WALKS

Vatican Pavilion Site
Queens, N.Y.

AMAZING. . . .

Human language is inadequate to describe this phenomenal gift: Jesus, and His Holy Mother, live and walk on these Holy Grounds.

And, what's more, have made Their abode in these end-times in the middle of New York City, or Babylon, as Our Lady names it.

And They are asking, even begging, you to visit Them with your hearts full of love and prayer and petition. You will be Their honored guest.

Won't you accept Their invitation?

Could you even fathom the scope of kindness and hospitality these Hosts will provide?! Only that there's no hosts on earth that could ever top Their graciousness and attention to all your personal **needs**.

Make your plans **today**. Order your **worry-free**, affordable pilgrimage package (below). Get your tickets **now**, airline and Banquet, so you can visit where Jesus lives and walks.

Won't you accept Their invitation?

"We have made Our Home upon these grounds. Therefore, all who come here to be solaced, I will be here."

Jesus, June 18, 1991
